Annual Governance and Accountability Return 2019/20 Part 2

To be completed only by Local Councils, Internal Drainage Boards and other smaller authorities* where the higher of gross income or gross expenditure was £25,000 or less, that meet the qualifying criteria, and that wish to certify themselves as exempt from a limited assurance review

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2019/20

- 1. Every smaller authority in England where the higher of gross income **or** gross expenditure was £25,000 or less **must**, following the end of each financial year, complete Part 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:
 - a) does not meet the qualifying criteria for exemption; or
 - b) does not wish to certify itself as exempt
- 2. Smaller authorities where the higher of all gross annual income or gross annual expenditure does not exceed £25,000 and that meet the qualifying criteria as set out in the Certificate of Exemption are able to declare themselves exempt from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review provided the authority completes:
 - a) The **Certificate of Exemption**, page 3 and returns a copy of it to the external auditor **either** by email **or** by post (not both) **no later than 30 June 2020.** Failure to do so will result in reminder letter(s) for which the Authority will be charged £40 +VAT for each letter; and
 - b) The Annual Governance and Accountability Return (Part 2) which is made up of:
 - Annual Internal Audit Report (page 4) to be completed by the authority's internal auditor.
 - Section 1 Annual Governance Statement (page 5) to be completed and approved by the authority.
 - Section 2 Accounting Statements (page 6) to be completed and approved by the authority. NOTE: Authorities certifying themselves as exempt SHOULD NOT send the completed Annual Governance and Accountability Return to the external auditor.
- 3. The authority **must** approve Section 1 Annual Governance Statement before approving Section 2 Accounting Statements and both **must** be approved and published on a website **before 1 July 2020.**

Publication Requirements

Smaller authorities **must** publish various documents on a public website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:

- · Certificate of Exemption, page 3
- Annual Internal Audit Report 2019/20, page 4
- Section 1 Annual Governance Statement 2019/20, page 5
- Section 2 Accounting Statements 2019/20, page 6
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review

Providing the authority certifies itself as exempt, and completes and publishes the Annual Governance and Accountability Return, there is **no** requirement for the authority to have a limited assurance review.

Any smaller authority may, however, request a limited assurance review. In these circumstances the authority should **not certify itself as exempt**, **and not complete the** Certificate of Exemption, but complete Part 3 of the Annual Governance and Accountability Return 2019/20 and return it to the external auditor for review together with the supporting documentation requested by the external auditor.

The cost to the smaller authority for the review will be £200 +VAT.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2019/20, Sections 1 and 2

- An authority that wishes to declare itself exempt from the requirement for a limited assurance review must
 do so at a meeting of the authority after 31 March 2020. It should not submit its Annual Governance and
 Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority
 must comply with the requirements of the Transparency Code for Smaller Authorities.
- The Certificate of Exemption must be returned to the external auditor no later than 30 June 2020. Reminder letters will incur a charge of £40 +VAT for each letter.
- The authority must comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance
 and Accountability Return and the Certificate of Exemption. Proper Practices are found in the Practitioners'
 Guide* which is updated from time to time and contains everything needed to prepare successfully for the
 financial year-end.
- The authority **should** receive and note the annual internal audit report if possible before approving the annual governance statement and the accounts.
- Make sure that the Annual Governance and Accountability Return is complete (no highlighted boxes left empty), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.
- You should inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.
- The authority must publish numerical and narrative explanations for significant variances in the accounting statements on **page 6**. Guidance is provided in the *Practitioners' Guide** which may assist.
- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2019) equals the balance brought forward in the current year (Box 1 of 2020).
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the approved accounts and accounting records can be inspected. Whatever period the RFO sets must include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority must publish the information required by Regulation 15 (2), Accounts and Audit
 Regulations 2015, including the period for the exercise of public rights and the name and address
 of the external auditor before 1 July 2020.
